Key words: errata, addenda – polarization – galaxies: clusters: individual: CIZA J2242.8+5301 – radio continuum: general.

This is an erratum to the paper ‘Spectropolarimetric observations of the CIZA J2242.8+5301 northern radio relic: no evidence of high-frequency steepening’ (2020, MNRAS, 498, 1628–1637). Upon the original publication of this article, Co-author R. Beck was

inadvertently omitted from the author list. This error has now been corrected. The publisher apologizes for the error.

This paper has been typeset from a Microsoft Word file prepared by the author.
